MADE YOUR OWN WEBSITE?

Go-Live Setup

You built a website yourself (or with AI). We put it online, the right way.

₹2,999

~~₹5,000~~

LAUNCH OFFER

Ready in 1–2 days

- Your domain connected
- SSL (https) secure lock
- Google Business Profile setup
- WhatsApp button and contact form working
- Website put online (hosting set up)
- Mobile view and broken links fixed
- Google Search Console setup

Domain name: purchased separately, in your own name. We first check that your preferred name is available. The cost depends on the name you choose and your needs, for example whether you also want a business email like *hello@yourbrand.com*. We explain the options before you buy.

HOW WE WORK

1

Talk

We understand your business and goals.

2

Quote

Clear package, price and timeline.

3

Build

You see the first version and tell us changes.

4

Go live

Launched on Google, with a short training.

E-commerce website to sell your products online: product pages, cart, online payment, orders and shipping, built on Shopify or WooCommerce. You add, edit and remove products yourself from an easy admin, and we train you.

Starter Store ₹30,000 ~~₹45,000~~ 10–15 days ● Up to 30 products ● Sizes and colours ● Online payments ● Shipping setup ● Legal pages, coupons ● Training video	BEST VALUE Business Store ₹55,000 ~~₹80,000~~ 20–30 days ● Up to 150 products ● Filters and wishlist ● GST invoices, reviews ● SEO setup ● Abandoned-cart reminders ● Everything in Starter	Advanced Store ₹1.5L+ 30+ days · quote after review ● 500+ products ● Custom features ● Integrations ● Premium custom design ● Priority support
---	---	---

CHOOSE YOUR PLATFORM

SAME PACKAGE PRICE ON BOTH

Shopify The easiest store to run yourself. ● Very simple admin and mobile app ● Fast setup, secure and reliable ● Monthly Shopify plan fee (paid by you to Shopify)	WooCommerce (WordPress) More control, usually a lower monthly cost. ● Full control over design and features ● Your store, on your own hosting ● Hosting fee (paid by you to the hosting company)
---	--

Not sure which one? We'll help you choose the right platform for your business. The Shopify plan or hosting fee is paid directly by you, and we explain it before starting.

For hotels, clinics, salons, gyms and coaching centres: customers book online, you manage everything from one admin panel.

Booking Website
